

CITY OF LODI

COUNCIL COMMUNICATION

AGENDA TITLE: Plans and Specifications and Advertisement for Bids for Stockton Street Improvements, Lockeford Street to Turner Road

MEETING DATE: April 21, 1993

PREPARED BY: Public Works Director

RECOMMENDED ACTION: That the City Council approve the plans and specifications for the above project and authorize advertising for bids.

BACKGROUND INFORMATION: This project includes the reconstruction and partial overlay of Stockton Street. Minor widening will be done along the Stockton Street frontage of Lawrence School. (The School District is in the process of dedicating 10 feet of right-of-way to the City.) As compensation for the 10-foot dedication, it is recommended that the City pay for street improvements along the Lawrence School frontage. Staff is currently negotiating with the School District and a recommendation regarding the exact compensation will be made at the time of award.

\$10,000 has been appropriated for the design and drafting portion of this project. The construction phase of this project (\$443,000) is shown in the 5-year Capital Improvement Program and will be appropriated in the 1993/94 fiscal year. In order for this project to remain eligible for State/Local Transportation Partnership funds, it must be awarded before July 1, 1993. A recommendation regarding the funding for the construction phase of this project will be made at the time of award.

FUNDING: Originally Budgeted: 1992/93
Budgeted Fund: Gas Tax and State/Local Transportation Partnership
Current Appropriation: \$ 10,000 (with \$443,000 in 1993/94 CIP appropriation.)
Total Project Estimate: \$408,000
Bid Opening Date: May 19, 1993

CITY COUNCIL MEETING
April 21, 1993

PLANS AND SPECIFICATIONS AND ADVERTISEMENT
FOR BIDS FOR TRAFFIC SIGNAL AND LIGHTING
INSTALLATION, HIGHWAY 12 (KETTLEMAN LANE)
AND CENTRAL AVENUE, AND TURNER ROAD
AND STOCKTON STREET/MIWOK DRIVE APPROVED

CC-12.1(c)

The City Council approved the plans and specifications for traffic signal and lighting installation, Highway 12 (Kettleman Lane) and Central Avenue, and Turner Road and Stockton Street/Miwok Drive and authorized advertising for bids.

This project is to install traffic signals at the intersection of Highway 12 (Kettleman Lane) and Central Avenue, and Turner Road and Stockton Street/Miwok Drive. Both intersections meet Caltrans signal warrants and are being funded with Federal funds and Street Development Impact Mitigation Fees.

Many years ago, the City Council approved standardizing the signal controllers. The controller is the computer that operates the signal timing. The current vendor has changed ownership many times over the years and the City is not receiving the support needed to maintain and operate the signals. Due to this poor service, staff recommended changing to another vendor. Sometime in the near future, staff will be recommending standardizing on controllers.
